- Seoul, S. Korea**      **Korea University**      **Fall 2010 - Spring 2011**      **GPA: 3.59**
- Student program ambassador for Explore Asia study abroad program.
  - Recipient of Benjamin A. Gilman International Scholarship.

## Work Experience

- Nationwide Childrens Hospital**      **Volunteer Research Assistant**      **Nov 2015 - Present**
- Under the guidance of Senior Scientist, and Principal Investigator, Dr. Frederick W. Woodley.
  - Operate within the division of gastroenterology, focusing primarily on patients with cystic fibrosis.
  - **Assist in data analysis, reports, and interpretation for the following clinical research studies:**
  - Effects of aging on gastroesophageal reflux in patients with cystic fibrosis.
  - Use of exhaled breath condensates (EBC) to assess the composition of airway lining fluids (ALF) of patients with cystic fibrosis.
  - Post-reflux swallow induced peristaltic wave (PSPW) index and rate calculations confirm prolonged chemical clearance in children with cystic fibrosis.
  - **Additional scientific manuscripts and grant proposals currently in preparation:**
  - Chemical Clearance Review
  - RTI RCMRC Grant
- Marketing & Sales Director**      **Weber Company, Inc.**      **Nov 2013 - Aug 2014**
- Oversaw hiring & training of new sales associates.
  - Managed online sales leads for all of Ohio, Pennsylvania, & West Virginia.
  - Developed online retail store.
  - Located & negotiated with new suppliers & distributors.
- District Manager**      **ALDI, Inc. (Hinckley Division)**      **Mar 2013 - Nov 2013**
- Managed five retail locations with combined monthly sales of roughly \$2.5 million & 85,000+ transactions.
  - Collaborated with fellow district managers to create innovative training workshops.
  - Conducted training for over 40 store employees & maintained appropriate staffing levels.
  - Trained store managers to implement new corporate policies & initiatives.
  - Identified store issues & worked with store managers to design & implement strategies for improvement.
  - Initiated study of checkout lane efficiency & effectiveness in order to enhance overall sales & store appeal.
  - Headed efficiency testing on produce barcodes.
  - Experienced in conducting inventories, cash audits, & perishable loss prevention.
  - **Real Estate Committee:** Oversaw regional maintenance personnel and coordinated divisional maintenance projects.
  - **IT Specialist:** Provided technical support & solutions to other district managers within the division.
- District Manager Trainee**      **ALDI, Inc. (Hinckley Division)**      **Jun 2012 - Mar 2013**
- Extensive 50-week hands-on management training program.
  - Operated as store manager after 16 weeks of training.
  - Experienced working in urban, suburban, & rural store locations.
